

Technical Rider

Title: Archipelago

Year: 2014

Credits: Sofian Audry, Samuel St-Aubin

Requirements and constraints

Electricity

Access to AC is required.

Space

The installation is meant to be spread across an area of 50m². Minimum dimension: 5m x 5m.

Installation

The work require a full day of labor for two (2) persons to install. Installation can either be performed by the artists themselves or alternatively by other people (instructions will be provided).

Insurance

The host shall cover the work for damage and theft up to the full replacement value (see below) for the entire period that the work is contracted by host, including transportation, set-up, event and dismantle.

The host shall provide civil liability protecting the artist during the whole time of the venue including mouting, exhibit/performance and dismantling period. This coverage shall exempt the artist of any liability in case of any public or workers claims, accidents or injuries during the whole period, and shall cover all the local workers assigned by the host and the work touring staff (if applicable).
