Requirements and constraints

Electricity

Access to AC is required (100-240V, 50-60 Hz). Power consumption : 800 W.

Optional video projection

If appropriate for the presentation venue, a live video projection of the generative text (in real-time) can be presented as an extra component of the installation.

The Book of Neoism?!

The Book of Neoism?! by Istvan Kantor aka Monty Cantsin? Amen, which constitutes the core text upon which the machine learning algorithm was trained in the installation can be presented as part of the show. This bible size book reveals the insurgent anti-credo of Neoism?!: six volumes of unexpurgated decibels of thrilliant subvertainment, uncountable definitions, self-interrogation, epic impure nonsense, audacious plunder performance, synthetic-wave narrative, pulp-fiction dogma, precisely calculated mathematical formulae, agitprop porn liturgy, fathomless psychoactive claptrap, infinite manifesto of Neoism?! to the point of torture and insanity.
